Dear Parent/Guardian,

RE: HIGH SCHOOL GRADE CHANGES: 2020-21 SCHOOL YEAR

Governor Gavin Newsom signed Assembly Bill 104 (Gonzalez) on July 1, 2021. The bill provides for a limited time a process to request that high school grades earned during the 2020-21 school year be changed from a letter grade to Pass or No Pass. This process applies only to students who attended high school during the 2020-21 school year, and the process must be completed before August 15, 2021.

Process for Requesting a Grade Change

To be eligible for a grade change, the pupil must have been enrolled in high school in the 2020-21 academic year. To Request a letter grade to be changed to a Pass or No Pass grade, please complete the following Google Form Application by August 15, 2021. ANY APPLICATION RECEIVED AFTER THAT DATE WILL BE REJECTED, PURSUANT TO THE REQUIREMENTS OF THE LEGISLATION.

There is no limit on the number or type of courses eligible for a grade change. However, please note that grade change requests for a dual enrollment/concurrent enrollment course are subject to consultation with the institution that awarded the grade.

The LEA shall change the transcript and notify the pupil and the pupil's parent or guardian within 15 days of receiving the pupil's application via email notification.

Important Information Regarding Potential Impact of Grade Changes on College Admissions

Assembly Bill 104 requires that the California State University system not penalize students for Pass/No Pass grades for admission purposes for any applicant who was enrolled in a California high school during any school year from the 2020-21 school year to the 2023-24 school year.

This requirement does not apply to the University of California, private postsecondary educational institutions in California, or any public or private postsecondary educational institution outside of California. A list of postsecondary educational institutions in California that have indicated they will not penalize students for Pass/No Pass grades for admission purposes may be found at www.cde.ca.gov/ci/gs/ps/ab104surveyresults.asp.

PLEASE NOTE: Some postsecondary educational institutions, including those in other states, may not accept a Pass or No Pass grade instead of a letter grade for admission purposes. If the pupil in question has applied for,
