- Praise, Question, Polish

Praise is where you share out something good, beneficial or useful. Question is something we need more info or clarification, can be bad news. Polish is where you provide examples of how to improve stuff and it could be how to improve an ugly situation.

- Joseph Williams
 - P - I appreciate your in input and participation
 - Q - Are you able to be a trainer for the staff development days?
 - P - What PD sessions should we offer. (Add to parking lot)
- Julie Shah
 - P - SBAC field testing went very smoothly -- Thanks, Charles!
 - Q - Why does Apple TV keep dropping off, even when software is up to date?
 - P -
- Charles Tippie
 - P - SBAC- Thank you teachers, site admin and Tech coaches and IT
 - Q - What are the best ways to collect feedback from all participants?
 - P -
- Shane Pinnell
 - P - SBAC prep by all parties, we are light years beyond others
 - Q - AppleTV problems? Reliable at all? Tech coach access to helpdesk?
 - P - forwarding requests to helpdesk #requester first.last@puhsd.org
- Lori Harrison

other nifty tech tricks.

- Dyanna Young
 - P - Will Warren is doing a great job teaching us how to use Haiku & with tech issues!
 - Q - Would it be possible to lock Facebook until 4pm so PLHS and PMS will not have as many problems with students on social media at the end of the day?
 - P - CCIT ELA 11th grade is creating a Haiku page for curriculum, it may be beneficial for other curriculum teams to do this too.
- Will Warren
 - P - I have been very impressed with the SBAC preparation and look forward to a great SBAC testing session.
 - Q - Is there any word on Projector refresh? CDS and PLHS are 7+ years old. Many teachers count on this technology on a daily basis. Also, lab computers at both sites are pushing 6+ years. Are there any "used" computers that can be used to bring labs up to full strength? PLHS Mr. Newton's room (2) needs the new, or newer "used" ones due to programs that are used in his course offerings.
 - P - Access to IT tickets would be helpful so I have an idea of what issues are at campuses and which ones I can help solve right away.
- Grant Bennett
 - P - Great work by Russell during SBAC at HHS. Charles has done outstanding work preparing the schools for the testing. Julie Shah created great blended [Haiku lessons for the SBAC classroom Activities](#).
 - Q - How are we going to address the textbook adoption issue?
 - P - End of semester EADMS testing
- Daniel Morgan
 - P - NEW ADMIN ROCKS! NEW IT GUY (ANDREW CAMMALL) ROCKS!
 - Q - Will the District be standardizing on applications/technology that truly assists teachers with Common Core?
 - P - More PDs in Technology
- Robert Guzman
 - P - Charles Tippie for getting us ready for sbac as well as being patient with us during our training today.
 - Q - How much haiku should teachers know, do we have a district
