9. Presentation/Discussion on School District Facilities Projects:

Chad Goodwin presented updates on the following facility projects:

CMI - The walkway project was completed prior to school starting in August. This provided a covered walkway between building E and the gym.

PHS - Grading of the pool complex was completed and underground utility installation has begun. The administration building has been completed and is in use by site staff. The theater is scheduled to be turned over to the site in February 2023. The agricultural mechanics building is in progress and should be completed in January 2023.

PVHS - Upcoming projects include relocating administration functions to a new building, improvements to campus security, onsite vehicular circulation, pedestrian access and the creation of a new school entrance. A multipurpose room will be created in the area where the existing "L" buildings currently sit. The old administrative offices will be repurposed as a student union facility. Superintendent Grant Bennett added that the county library which was previously located at the front of the school had moved out. Deputy Superintendent Candace Reines stated that the L portables had been removed and/or demolished. Mr. Goodwin continues with the updates adding that a new auto shop project will be completed in phases over three years. The pool project was completed in August 2022.

HHS - Construction on the Aquatics Center is ongoing. The pool will be plastered in early September. The exterior painting of the building is almost complete and pool equipment has been installed. The estimated completion date for this project is September 2022. Vice Chair Joshua Naggar asked if there were any surprises during construction. Mr. Goodwin stated that there were mainly due to the effects of the pandemic which included shipping delays and product shortages. Mr. Bennett added that there was a delay in receiving the Liberty High School theater soundboard due to a microchip shortage. Mr. Naggar asked how these delays affected the project timelines. Mr. Goodwin replied that construction continued but occasionally products would be changed based on availability and cost. Ms. Reines added that the site staff has been very gracious despite any construction issues.

10. Other Updates by the District or Consultants:

Mr. Reines stated that the grand opening ceremonies for the PVHS and HHS pools would be held within the next few months and invitations to the events are forthcoming. The PHS grand opening will be held in March 2023.

11. Designation of Next Meeting Date:

It was established that the next COC meeting date will be Tuesday, February 28, 2023, at Perris High School.

12. Comments:

PHS Principal Juan Santos suggested inviting the community to the grand opening celebration. Mr. Bennett stated that PHS has a history dating back to 1888. He added that one of the basketball courts was named after a former student, Marvin Williams, who worked at the school and coached basketball there for over 35 years. Mr. Naggar stated that PHS is a source of pride in the community.

13. Adjournment:

Marilee Menez motioned to adjourn the meeting; Mr. Kroencke seconded the motion. No opposition. Motion carried.

VOTE: 7 Ayes, 0 Noes, 0 Absent, 0 Abstain

The meeting was adjourned at 4:53 p.m.
